TapMind Data Processing Addendum

Version 1.1. Dated 12 November 2026

Annex F: Canada and Quebec

F.1 Applicable law: PIPEDA; Quebec's Act respecting the protection of personal information in the private sector; Alberta and BC PIPAs.

F.2 **Interim position**: until the Controller completes its registration under the IAB TCF Canada framework and notifies the Publisher, the Controller serves only contextual advertising to Canadian End Users and Processes no advertising identifier and no profile for them, whatever Privacy Signals are received.

F.3 Thereafter, the Publisher shall obtain meaningful consent, and in Quebec express consent for profiling and for technologies that identify, locate or profile, which shall be inactive by default; TapMind supports the IAB TCF Canada framework for this purpose.

F.4 **Transfers**: the Controller provides the Publisher with the information necessary for its privacy impact assessment of transfers outside Quebec or Canada and contractually ensures comparable protection.

F.5 Person in charge of protection of personal information: Naveen Chennala.

F.6 Persons under 14 in Quebec: parental consent required; no personalised advertising to known minors.
